Name: \_\_\_\_\_ Advisor: \_\_\_\_\_

- Minimum of five faculty members on the oral qualifying committee. The **majority** of the members must be CS faculty or CS Cooperating Faculty member, and one member must be from *outside* CS.
- All nominated faculty must be members of the Academic Senate at a UC Campus, which can include emeritus faculty. Review the [Regulations for Oral Qualifying Examination](#) for more information.
- For non-UC Academic Senate members, the nominee's CV and justification from the Graduate Advisor must be provided.
- The committee listed below **must** be approved by the Graduate Division before the exam can take place.
- Any changes to the committee below after the committee has been approved must be approved by the Graduate Division and are subject to the same deadline as the original nomination.
- Oral committee members will not automatically become members of the Dissertation Committee.
- Exams can be moved to a later date but cannot be moved up unless the committee has already been approved by the Graduate Division.

**NOTE:** In order to verify you completed all required courses to advance to candidacy, submitted the [Program Plan for PhD](#) form together with this form.
